

## TRAINING PROGRAMMES OF KVKG, KORAPUT (OCTOBER-2025)

| Sl no | Title of the Training  | Types of Training | Proposed Date            | Venue       | No of Participants | Contact Scientist   |
|-------|--|-------------------|--------------------------|-------------|--------------------|---|
| 1     | Management of bacterial wilt of ginger through biocapsules                         | F/FW              | 08.10.2025               | Haridaput   | 30                 | Dr. B. Sahoo (mob. No. 7008678567) & Smt. K. Sethi (mob. No.8249154033) |
| 2     | Herbicide application for reducing weed density and increasing yield in onion      | F/FW              | 16.10.2025               | Durkaguda   | 30                 |   |
| 3     | Improved Cultivation practices of pulse based cropping system                      | F/FW (SCSP)       | 10.10.2025               | Gunthaput   | 30                 | Smt. S.Dandasena (Mob no.7008930482)                                    |
| 4     | Integrated crop management practices in Rice based cropping system                 | F/FW              | 08.10.2025               | Phuldoba    | 30                 |   |
| 5     | Integrated weed management in sunflower  | F/FW              | 23.10.2025               | Malipungar  | 30                 |   |
| 6     | Vermicomposting by using different substrates                                      | RY                | 16.10.2025 To 18.10.2025 | KVK,Koraput | 15                 |   |
| 7     | Organic cultivation practices in tomato  | F/FW              | 10.10.2025               | Panasput    | 30                 | Mr.S.K.Hantal (Mob no. 8457806613)                                      |
| 8     | Integrated nutrient management in Potato   | F/FW              | 22.10.2025               | Gunthaput   | 30                 |   |
| 9     | Use of bio-fertilizer in specific reference to organic farming in vegetable crops. | F/FW (SCSP)       | 15.10.2025               | Lekidiguda  | 30                 |   |
| 10    | Development of Nutritional Kitchen Garden for household food security              | F/FW (SCSP)       | 22.10.2025               | Lekidiguda  | 30                 | Mr. B.C. Behera ( Mob no. 7749927750 )                                  |
| 11    | Improved method of Oyster mushroom cultivation                                     | F/FW              | 28.10.2025               | Malidushura | 30                 |   |

## TRAINING PROGRAMMES OF KVK, KORAPUT (NOVEMBER-2025)

| Sl no | Title of the Training   | Types of Training       | Proposed Date   | Venue               | No of Participants | Contact Scientist   |
|-------|---|-------------------------|---|---------------------|--------------------|---|
| 1     | Value addition of fruit and vegetable crops                                   | Extension Functionaries | 28.11.2025-29.11.2025   | KVK Conference Hall | 15                 | Dr. B. Sahoo (Mob. No. 7008678567) & Smt. K. Sethi (Mob. No.8249154033) |
| 2     | Herbicide application for reducing weed density and increasing yield in onion | F/FW                    | 7.11.2025<br>Due to Montha Cyclone training of oct rescheduled  | Sorishapadar        | 30                 |   |
| 3     | Processing and value addition of fruits and vegetables                        | F/FW                    | 18.11.2025  | Chalanput           | 30                 |   |
| 4     | Higher income generation through leafy vegetables cultivation                 | F/FW                    | 10.11.2025  | Mangaliguda         | 30                 |   |
| 5     | Production of off-season vegetables   | F/FW                    | 15.11.2025  | Gauda guda          | 30                 |   |
| 6     | Good agricultural practices for chilly  | F/FW                    | 13.11.2025  | Muliaput            | 30                 |   |
| 7     | Organic turmeric production and processing                                    | Rural Youth             | 24.11.2025-26.11.2025   | KVK Conference Hall | 30                 |   |
| 8     | Integrated weed management in sunflower                                       | F/FW                    | Due to Montha Cyclone training of oct rescheduled on 03.11.2025 | Malipungar          | 30                 | Smt. Sunita Dandasena (Mob. No.7008930482)                              |
| 9     | Importance of Green manuring in field crops                                   | F/FW                    | 10.11.2025  | Lekididguda         | 30                 |   |
| 10    | IPM in field crops  | Extension Functionaries | 24.11.2025-25.11.2025   | KVK Training Hall   | 15                 |   |
| 11    | Weed management in Rice-pulse cropping system                                 | F/FW                    | 21.11.2025  | Upermania           | 30                 |   |

|    |  |             |   |                   |    |                                     |
|----|--|-------------|---|-------------------|----|-------------------------------------|
| 12 | Seed production in field crops (Paddy, Maize, Millets, Pigeon pea, Ground nut) | Vocational  | 11.11.2025-15.11.2025   | KVK Training Hall | 15 |                                     |
| 13 | Integrated Nutrient Management in Maize  | F/FW        | Due to Montha Cyclone training rescheduled on dt. 03.11.2025        | Kandhapungar      | 30 | Mr.S.K.H antal (Mob no. 7008068480) |
| 14 | Integrated nutrient management in Potato                                       | F/FW        | Due to Montha Cyclone training of oct rescheduled on dt. 06.11.2025 | Gunthaput         | 30 |                                     |
| 15 | Method Demonstration of Vermicomposting  | F/FW (SCSP) | 07.11.2025  | Sorisapadar       | 50 |                                     |
| 16 | Soil Health campaign under SCSP  | F/FW (SCSP) | 17.11.2025  | Chalanput         | 70 |                                     |
| 17 | Integrated nutrient management in Cauliflower                                  | F/FW        | 19.11.2025  | Maliburuda        | 30 |                                     |
| 18 | Effect of different mulching materials for soil moisture conservation          | F/FW        | 26.11.2025  | Rajput            | 30 |                                     |
| 19 | Development of nutritional kitchen garden                                      | F/FW SCSP   | 06.11.2025  | Gunthaput         | 30 | Mr. B.C Behera (Mob. 7749927750)    |
| 20 | Improved method of Oyster mushroom cultivation                                 | F/FW        | 11.11.2025  | Phuldaba          | 30 |                                     |
| 21 | Entrepreneurship development through group dynamics(SHGs)                      | F/FW        | 12.11.2025  | Sanabadegaon      | 30 |                                     |
| 22 | Different income generating activities in Agriculture                          | F/FW        | 21.11.2025  | Talamania         | 30 |                                     |

## TRAINING PROGRAMMES OF KVK, KORAPUT (DECEMBER-2025)

| Sl no | Title of the Training   | Types of Training | Proposed Date                      | Venue               | No of Participants | Contact Scientist                   |
|-------|---|-------------------|------------------------------------|---------------------|--------------------|-------------------------------------|
| 1     | Nutrient management in Potato   | F/FW              | 08.12.2025                         | Malipungar          | 30                 | Smt. K. Sethi (Mob. No. 8249154033) |
| 2     | Production of off-season vegetables   | F/FW              | 15.12.2025                         | Jeypore             | 30                 |                                     |
| 3     | Protected cultivation for horticultural crops                                       | Rural Youth       | 19.12.2025, 20.12.2025, 22.12.2025 | KVK Conference Hall | 15                 |                                     |
| 4     | Crop management practices in Rice-groundnut cropping system                         | F/FW              | 08.12.2025                         | Kandhapungar        | 30                 |                                     |
| 5     | OUAT Ragi thresher cum pearly use in ragi threshing                                 | F/FW              | 15.12.2025                         | Panasput            | 30                 |                                     |
| 6     | IPM in field crops  | IS                | 23.12.2025 – 24.12.2025            | KVK Conference Hall | 15                 |                                     |
| 7     | Integrated Nutrient Management in Onion and Garlic                                  | F/FW              | 09.12.2025                         | Karadiguda          | 30                 |                                     |
| 8     | Utilization of microbes for improvement of crop production and residues management. | F/FW              | 11.12.2025                         | Chalanput           | 30                 |                                     |
| 9     | VOTI Training   |                   | 10.12.2025 to 12.12.2025           | KVK Conference Hall | 15                 |                                     |
| 10    | Entrepreneurship development through group dynamics(SHGs)                           | F/FW              | 17.12.2025                         | Uparamania          | 30                 |                                     |
| 11    | Rearing of backyard poultry for more income   | F/FW              | 09.12.2025                         | Karadiguda          | 30                 |                                     |
| 12    | Improved method of Mushroom production  | IS                | 30.12.2025-31.12.2025              | KVK Conference Hall | 15                 |                                     |
